

# Sundance Spas 880 Aspen

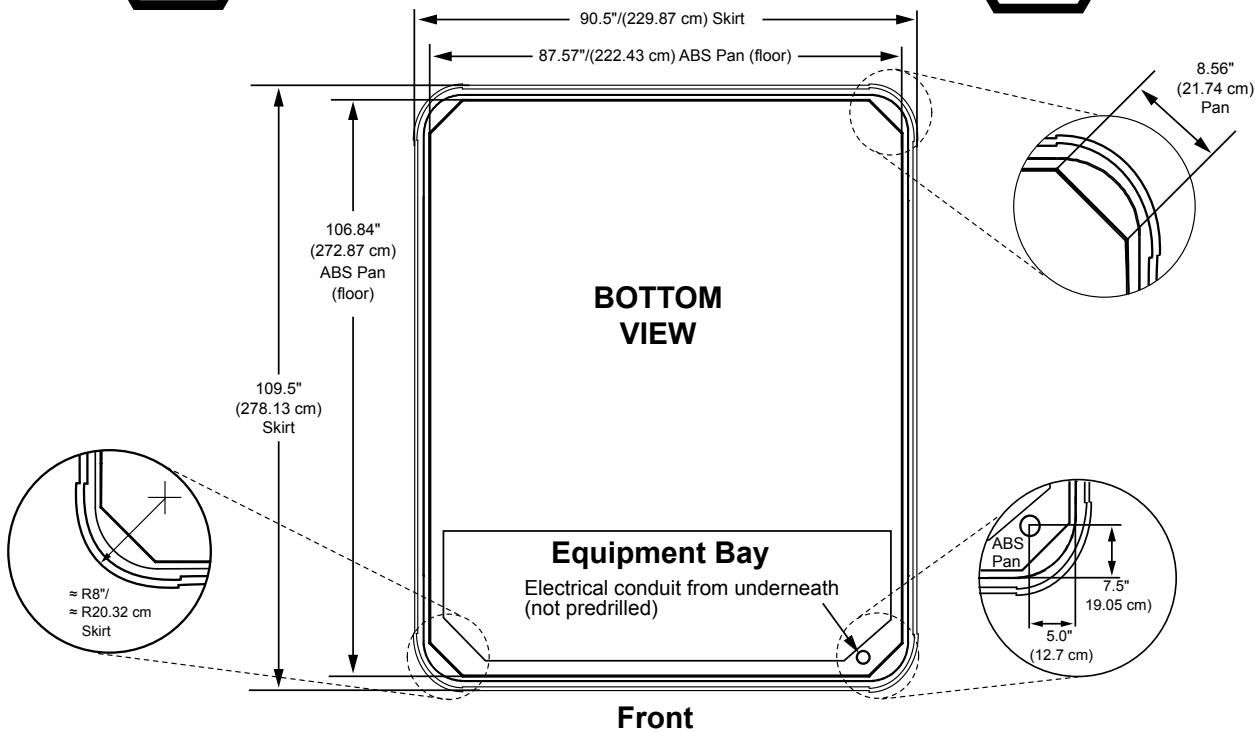

## Portable Dimensions

**NOTE:** Over time the panel(s) may bow, this is considered normal. The panels will straighten out when reinstalled into the mounting channel. Place one end of the panel into the channel first then flatten the panel and insert the other end.

**IMPORTANT!** Always measure each hot tub for exact dimensions BEFORE designing its foundational support and/or decking.

Dimensions/specifications subject to change without notice. Tolerance:  $\pm 0.5"$  (1.27 cm)
